

**PLAIN NAVY BLUE LANYARDS WITH PLASTIC J CLIP**

Our plain blue lanyards are available in light, dark and navy blue with either a metal lobster clip or a plastic J clip. In a standard 90cm length, each lanyard is made to provide comfort to the wearer. With a safety breakaway, it provides a professional yet secure way of displaying photo ID. If you wish to add a logo or text to the lanyard then opting for personalised lanyards UK is a better option.
